For further information about these Share Classes, please contact your local J.P. Morgan Asset Management representative.

Dear Investor,

Share class update for investors of (fix) share classes in JPMorgan Funds - Global Strategic Bond Fund (the "Sub-Fund")

This is to notify you that the Management Company will no longer accept subscriptions from new investors in the following share class (the "Share Class") in which you own shares, with effect from 8 February 2018:

LU0864191225 JPM Global Strategic Bond D (perf) (fix) EUR 1.60 - EUR (hedged)

This decision has been taken as the risk of further decumulation of capital as a result of the ongoing payment of the fixed dividend has increased to an extent that the Management Company has determined that allowing further investments in this Share Class from new investors would not be in the best interest of existing shareholders. As an existing shareholder you can continue to purchase shares but the Management Company would like to remind you that whilst "(fix)" share classes provide the benefit of having a fixed quarterly dividend payment, you should be aware of the following:

- the dividend paid is not dependent upon the level of income or capital gains of the Share Class;
- the dividend paid may exceed the gains of the Share Class resulting in erosion of the capital invested;
- during periods of negative performance of the Sub-Fund, the dividend will normally continue to be paid, and this will result in a more rapid fall in the capital value of your investment than would occur if dividends were not being paid;
- it may not be possible to maintain the dividend payment indefinitely, and the value of your investment could ultimately be reduced to zero.

The Net Asset Value of the Share Class will continue to be monitored and any appropriate action deemed necessary may then be taken by the Management Company. If the Net Asset Value continues to fall the Management Company may take the decision to stop accepting subscriptions and switches into the Share Class from existing investors. The Management Company will inform you of any such closure of the Share Class, if applicable, by letter.

Any future changes to the status of the Share Class will be advised on www.jpmorganassetmanagement.com. You may also contact your local J.P. Morgan Asset Management representative for details.

Yours faithfully
